WHY CHOOSE US

OUR MISSION IS TO ELEVATE CARE THROUGH SKILLED STAFF, PERSONALISED SUPPORT, AND A COMMITMENT TO ADAPTABILITY AND FAIRNESS FOR EVERY CLIENT.

24/7 Scheduling

Our team is available around the clock to arrange care whenever it's needed. Whether it's a last-minute change or ongoing support, help is always within reach.

Continuity of Care

With consistent staff, you'll be supported by people who know your needs, routines, and preferences. This familiarity builds trust and makes your care more stable and reliable.

Values Choice & Control

We respect your independence and put your preferences at the centre of every decision. You have full choice and control over how your care is delivered.

Client-Centered Approach

This means we place your needs, goals, and preferences at the heart of everything we do. We work closely with you and your family to design care plans that reflect your lifestyle, values, and aspirations, ensuring support is safe, professional, personal, and meaningful. By listening, adapting, and empowering, we provide care that respects individuality while promoting independence, dignity, and well-being.

Trusted Care Professionals

Our highly trained and experienced Support Workers, Assistants in Nursing, Enrolled Nurses, and Registered Nurses don't just deliver exceptional care—they raise the standard for our entire team. Their expertise and hands-on experience ensure every staff member provides confident, adaptable, and reliable support, so our clients consistently receive the best care possible and peace of mind comes naturally.

Nurse-Guided Care

Most of our staff come from a strong clinical background, AIN's, EN's and RN's.

All our staff are backed by a team of experienced Registered Nurses, guaranteeing exceptional care, trusted professionalism, and reliability.

Tech-Driven Transparency

With participant's consent, families, support coordinators can access our ShiftCare App to:

- View staff schedules and attendance.
- Request and modify shifts.
- Read staff documentation and care notes.
- Stay informed and involved in the care journey.

We Value Feedback

At NurseCare Connect, your voice matters.

We actively welcome feedback from participants and families to ensure our services meet expectations and evolve with your needs.

Fit That Works

We don't just send whoever is available; we make sure we send the right person.

We carefully consider participant preferences, as well as staff skills and personalities, to ensure the best possible fit—resulting in stronger, longer-lasting relationships and better quality of care.

Fair Pricing

Competitive rates: We start with competitive standard rates which are further negotiable depending on hours allocated, allowing participants to get the most out of their funding.

Reduced or no setup fees: Our setup fees are 36% below NDIS maximums and are only applied when necessary, often waived, balancing fairness with affordability to make getting started easier.

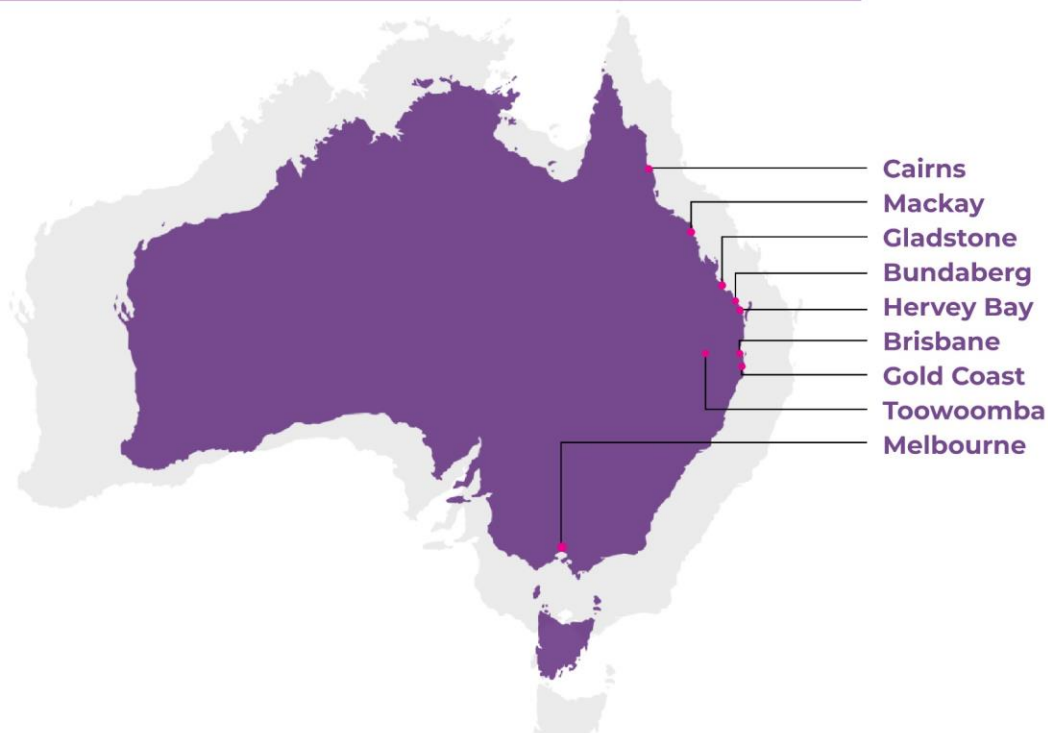

Cost-effective travel: No KMS charge for bookings of 4 hours or more; if a KMS charge applies, we only charge one way.

Flexible cancellations: No cancellation fee for sickness or hospitalization.
